

Collom & Carney Clinic Association

Douglas E. Thompson, MD

Ownership Disclosure Notice:  
Wadley Regional Medical Center

The Collom & Carney Clinic has ownership interests in Wadley Regional Medical Center and may receive remuneration by virtue of their ownership interests if your services are performed there. Nonetheless, the physicians believe this ownership is beneficial to their patients because it allows them to enhance and direct the manner in which your care is delivered at this facility.

Pursuant to federal and state laws, a physician owner is required to notify you upon referral to Wadley Regional Medical Center that the following entity, and/or physician(s), and/or their family member(s) have an ownership relationship in that, facility.
